

TOYOTA

Move your world

NEW CAMRY EXQUISITE DOMINANCE UNLEASHED

EXQUISITE taste hints at the level of prestige you command.
DOMINANCE in everything you do alludes to the power within.
With the New Camry, your true superiority will be **UNLEASHED**.

EXQUISITE DOMINANCE IN PERFORMANCE

Immense sophistication requires the power to back it up. The New Camry was built to deliver excellent performance in every drive.

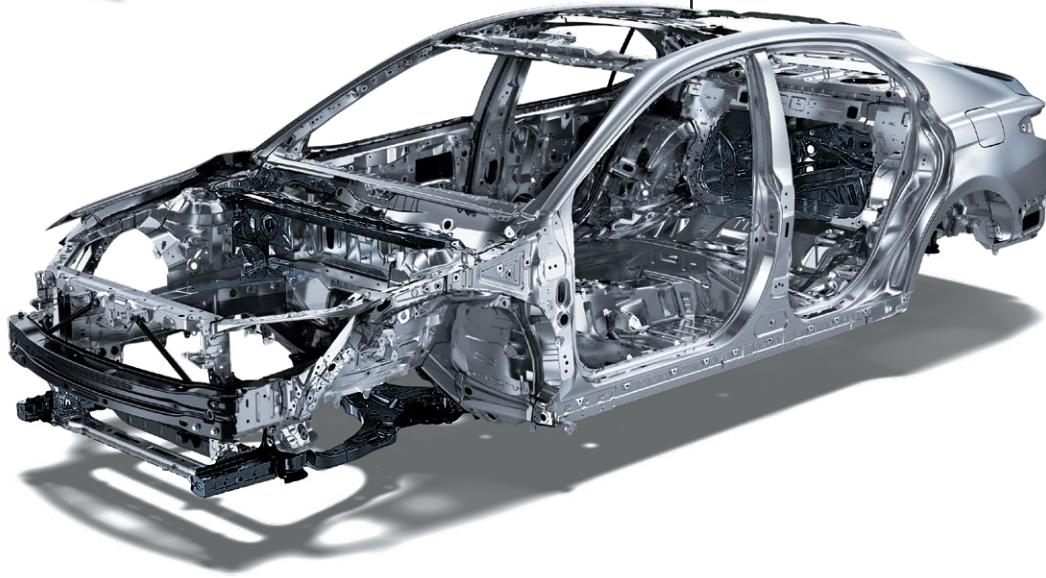

TNGA PLATFORM WITH DOUBLE WISHBONE REAR SUSPENSION

Provides more stable, responsive and agile handling to enhance the quality of your ride.

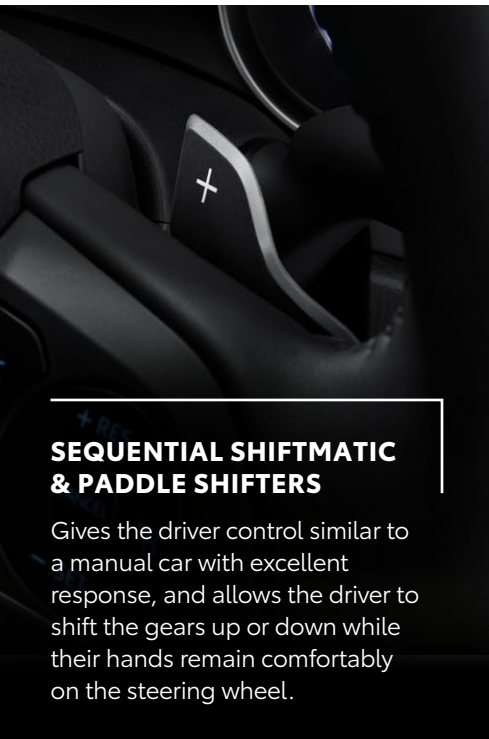

TNGA Toyota
New
Global
Architecture

2.5L DYNAMIC FORCE ENGINE WITH VVT-iE

The New Camry is powered by a new 2.5L engine with higher engine output and combustion efficiency to exude absolute power on the road.

Max. | 209PS Max. | 253Nm
Output | 6,600rpm Torque | 5,000rpm

SEQUENTIAL SHIFTMATIC & PADDLE SHIFTERS

Gives the driver control similar to a manual car with excellent response, and allows the driver to shift the gears up or down while their hands remain comfortably on the steering wheel.

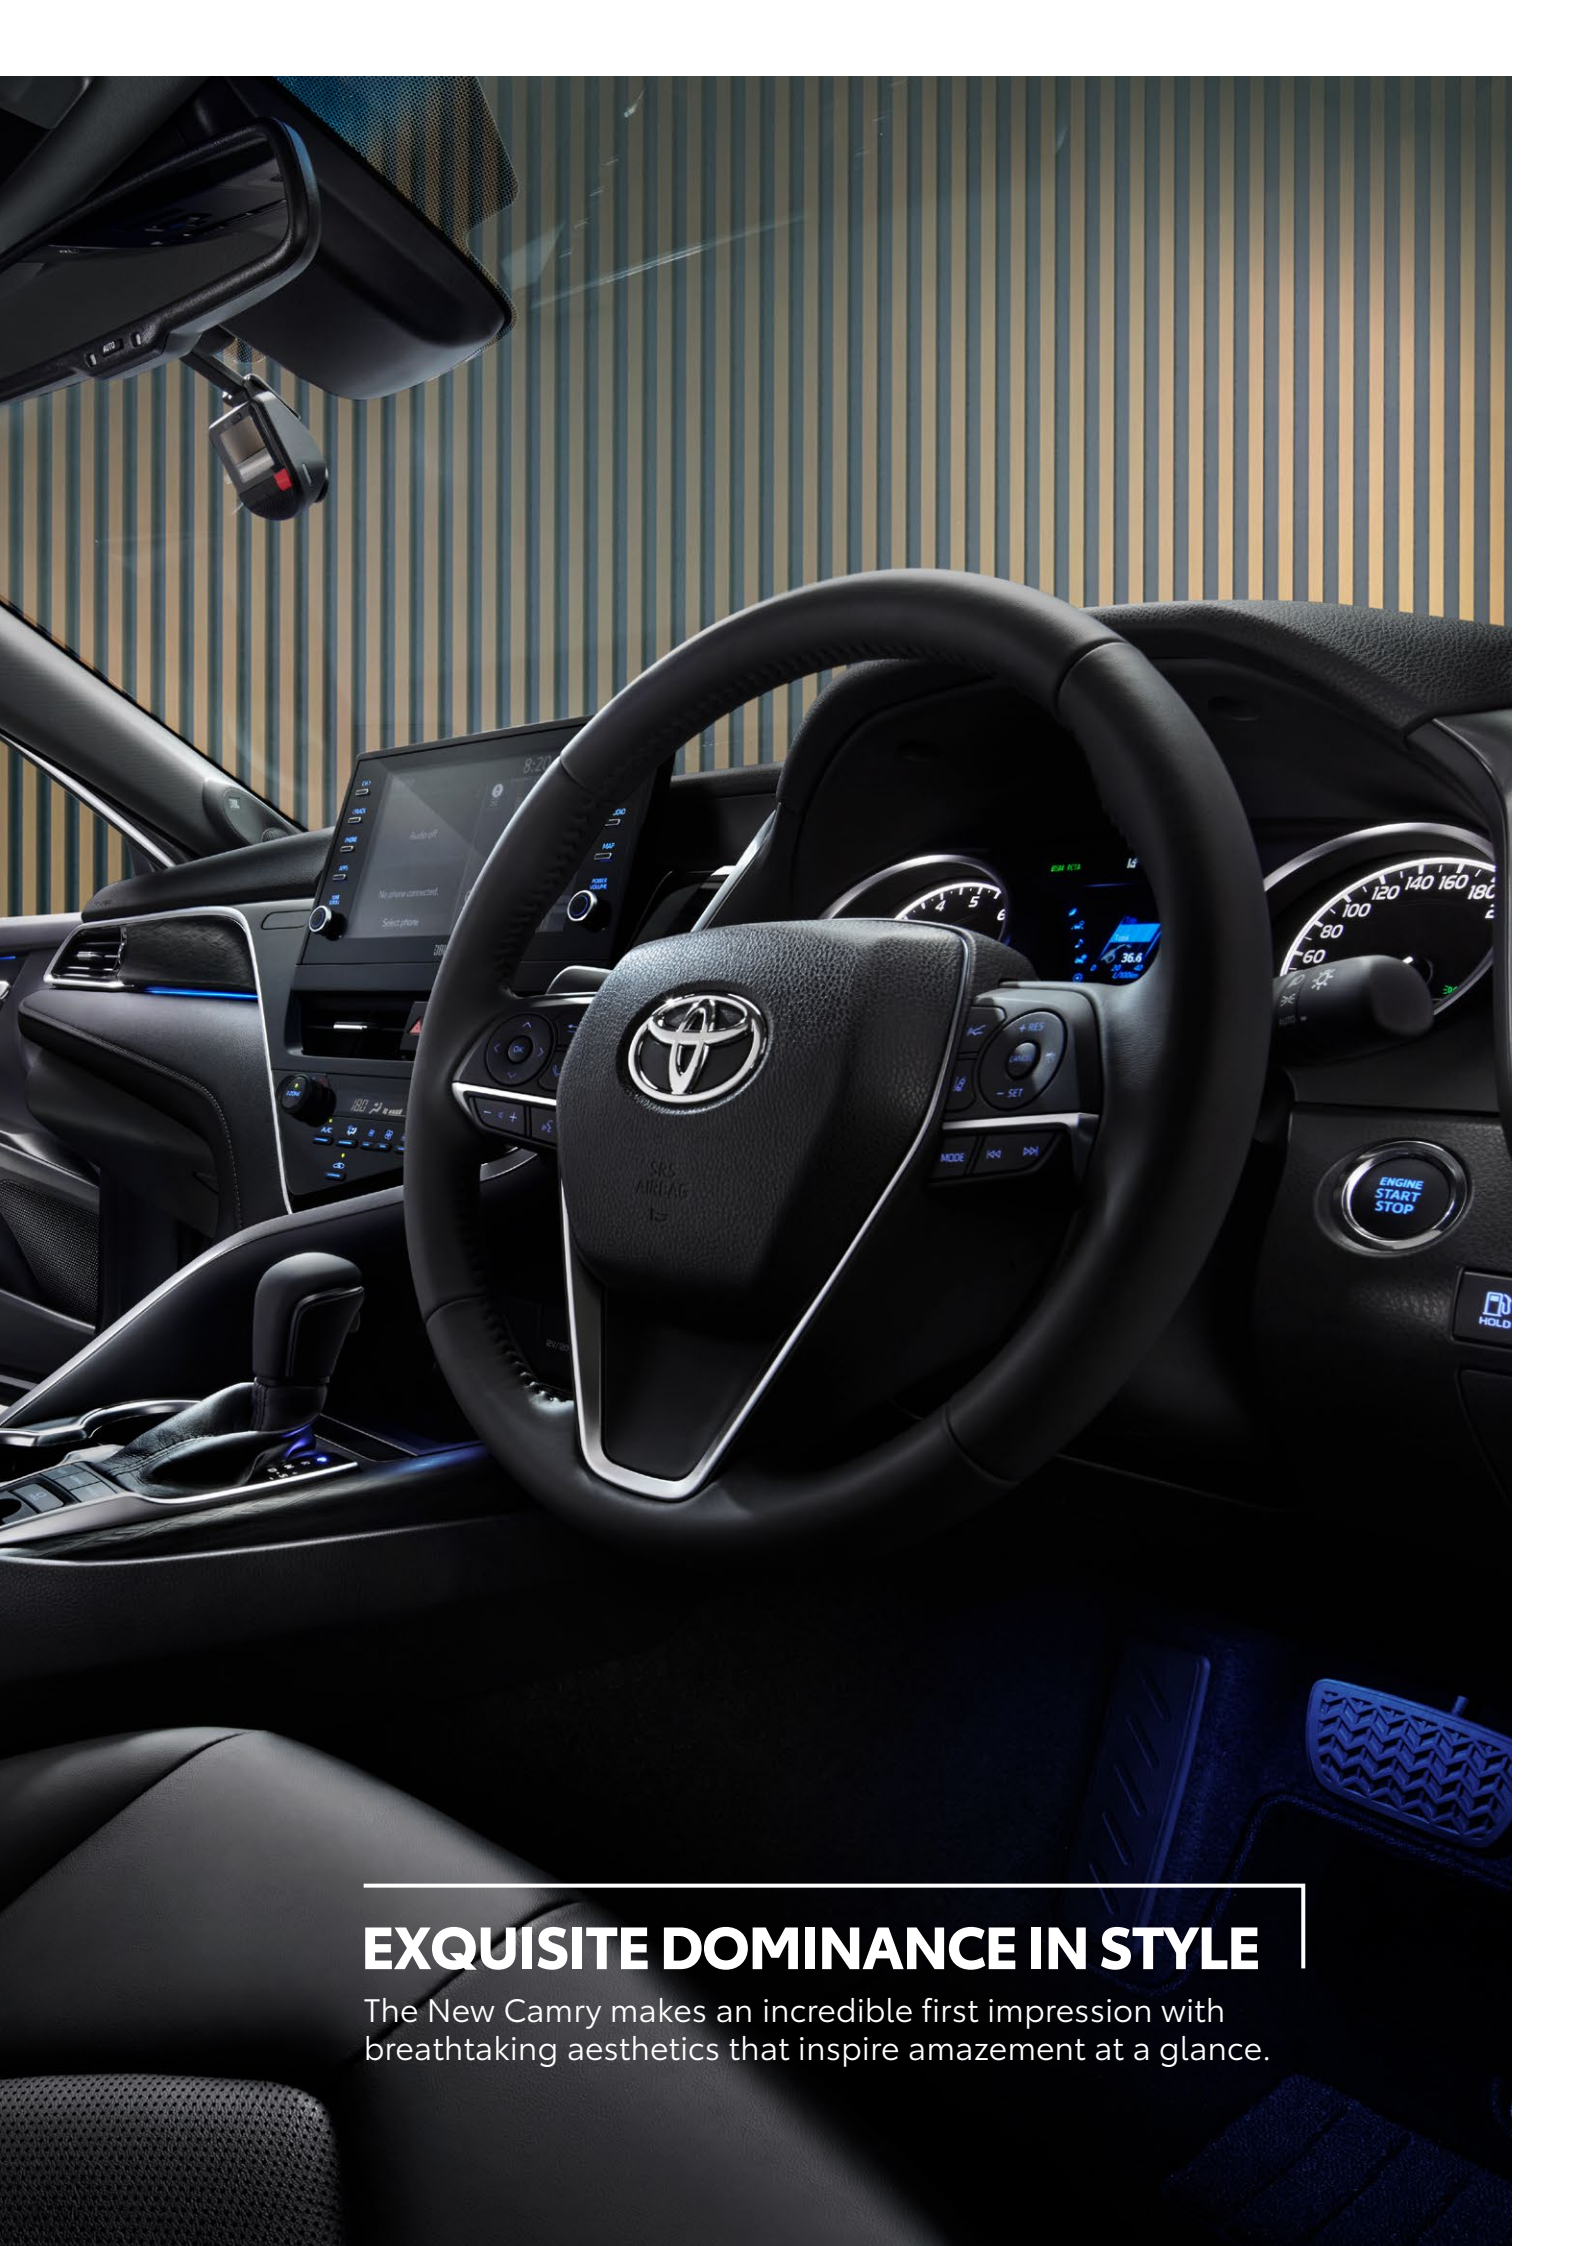

DIRECT SHIFT 8-SPEED AUTO TRANSMISSION

Offers impressive starting acceleration as well as fuel efficiency when cruising at high speeds.

DRIVE MODE SELECT

SPORT MODE offers a more responsive and exhilarating ride, ECO MODE prioritises fuel efficiency and NORMAL MODE provides a perfect balance of the two.

EXQUISITE DOMINANCE IN STYLE

The New Camry makes an incredible first impression with breathtaking aesthetics that inspire amazement at a glance.

EXTERIOR

ENHANCED IMPRESSION

Aesthetic enhancements all over the sedan grant the New Camry a bold presence wherever it roams.

BI-BEAM LED HEADLAMPS WITH FOLLOW-ME-HOME FUNCTION & DAYTIME RUNNING LIGHTS (DRL)

Turn heads with a stylish pair of powerful Bi-LED projector headlamps equipped with the Follow-me-home Function and Daytime Running Lights (DRL) that automatically light up your path for enhanced visibility and safety.

REAR LED COMBINATION LAMPS

When illuminated, the full LED lamps grant a sophisticated aesthetic for others to follow.

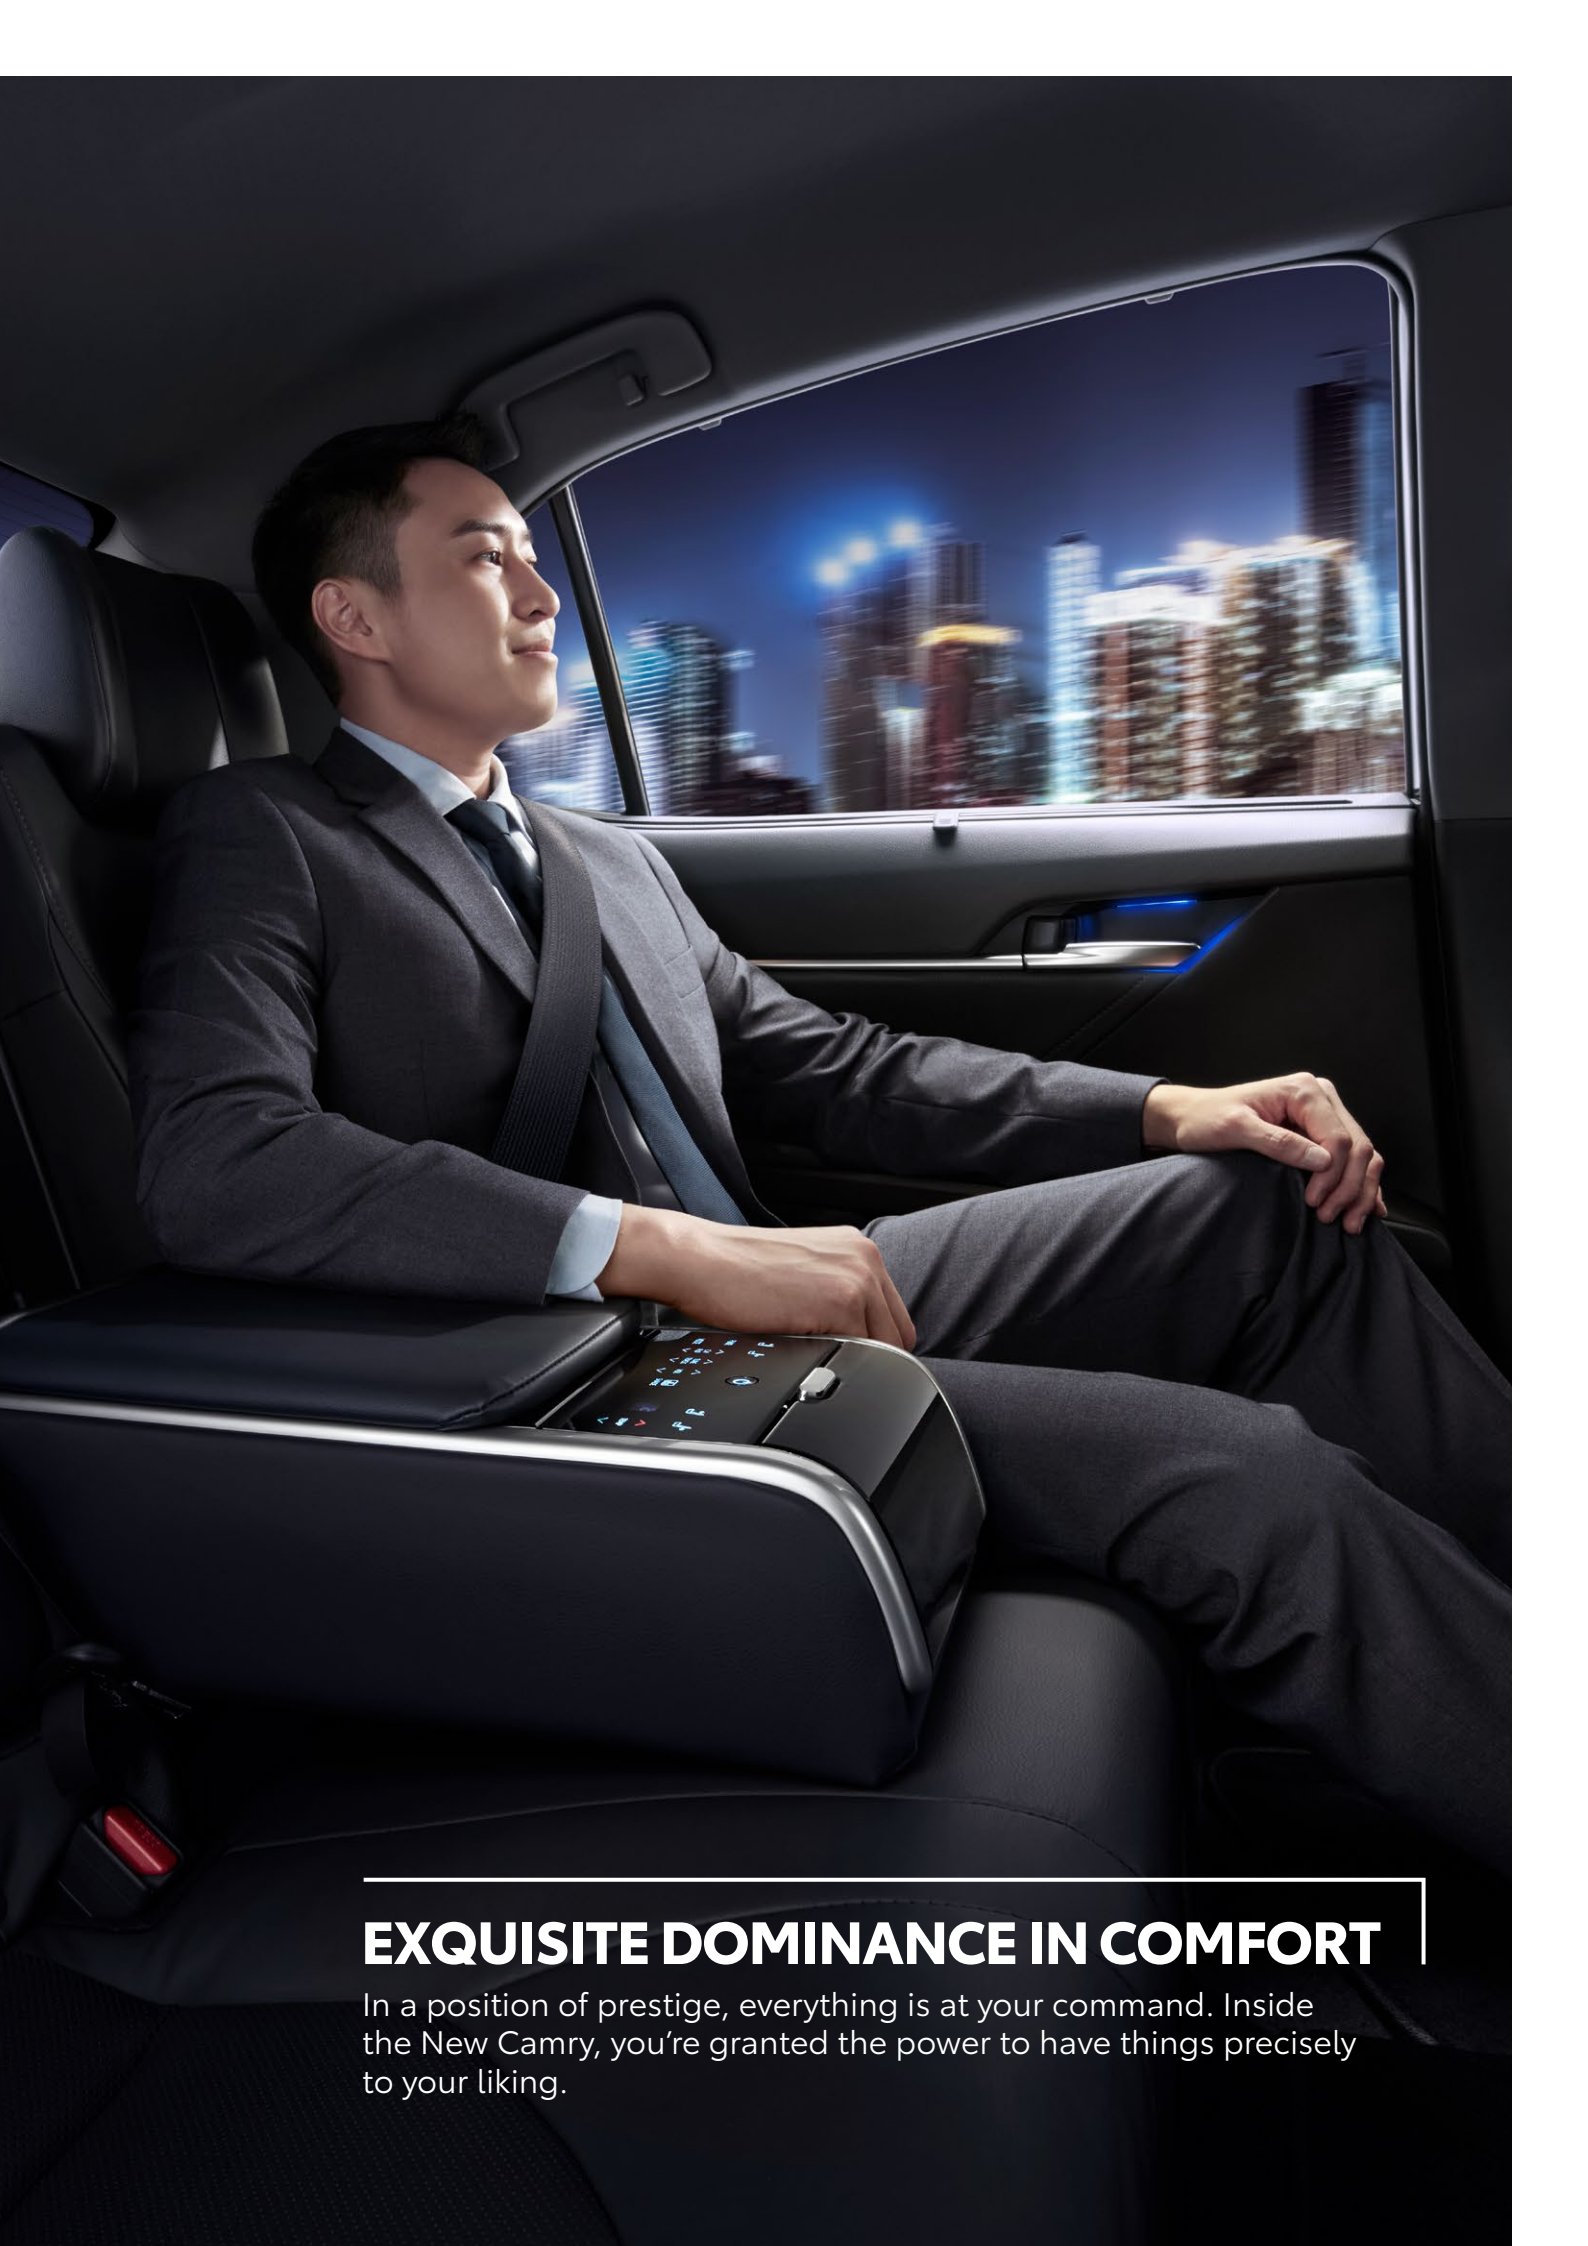

GRAPHIC WELCOME LIGHTS*

Add an advanced sense of flair when occupants enter and exit the vehicle.

*Optional accessory.

18" ALLOY RIMS

The new twisted dark spokes add an element of dynamic expression to a refined design.

EXQUISITE DOMINANCE IN COMFORT

In a position of prestige, everything is at your command. Inside the New Camry, you're granted the power to have things precisely to your liking.

INTERIOR

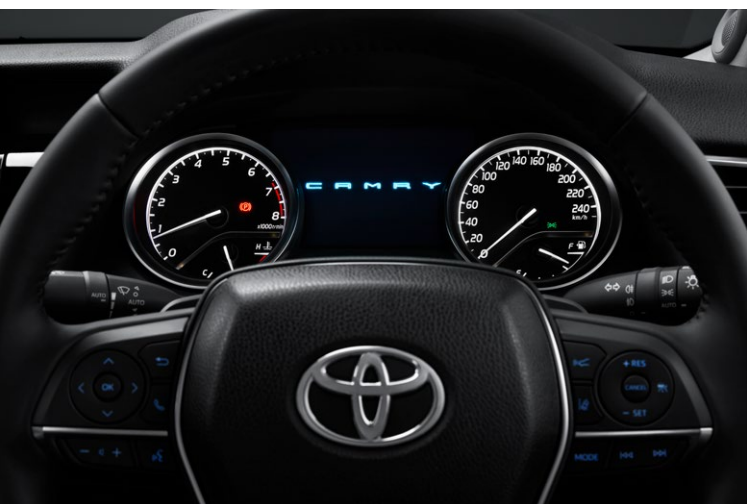

LUXURIOUS DESIGN

Attention to detail instantly greets you on the inside in the form of intricate ornamentation that layers organic patterns and straight lines to express an elegant flow.

10" COLOUR HEAD-UP DISPLAY

Projects information in the driver's line of sight for easier access to important information such as shift position and Toyota Safety Sense (TSS) warning alerts.

7" COLOUR MULTI-INFORMATION DISPLAY (MID) WITH OPTITRON METER

Presents vehicle information (such as speed, fuel consumption and range, TSS feature settings, and tyre pressure) with impeccable clarity.

9" CAPACITIVE TOUCHSCREEN DISPLAY WITH 9-SPEAKER JBL AUDIO SYSTEM

Can be operated with simple finger movements, provides real sound quality courtesy of Clari-Fi™ technology and has Apple CarPlay & Android Auto-ready Connectivity*.

*Android Auto™ will be available when the service is officially launched in Malaysia. Functions may vary depending on smartphone model.

POWER ADJUSTABLE STEERING WHEEL WITH MEMORY FUNCTION

Adjusts the steering column to one of two preferred settings when the engine is turned on, and retracts the steering column when the engine is turned off to allow the driver an easy exit.

SMART ENTRY & PUSH START SYSTEM

Allows the driver to store one preferred position of the driver seat, wing mirror & steering column in the New Camry remote key.

1. POWER REAR SUNSHADE

Allows rear passengers to enjoy convenient comfort from the heat of the sun.

2. TRI-ZONE AUTOMATIC CLIMATE CONTROL WITH REAR VENT

Allows the driver, front passenger & rear passenger to set their temperatures independently according to their own preferences.

3. LEATHER SEAT WITH DRIVER MEMORY FUNCTION

Conveniently adjusts the seat to a preferred position at the push of a button.

4. POWER-RECLINING REAR SEATS

Offers a luxuriously comfortable recline angle of 8°. Complete with Control Panel Armrest to have full control over the seats, air-conditioning, power sunshades and audio system.

SAFETY

Toyota
Safety
Sense

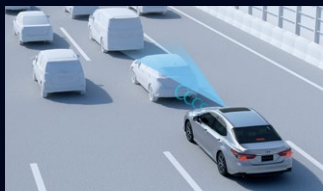

EXQUISITE DOMINANCE IN SAFETY

Excellence has no time for second-guessing, especially on the road. Make the right decision with the advanced technology of the New Camry.

360-T Advanced

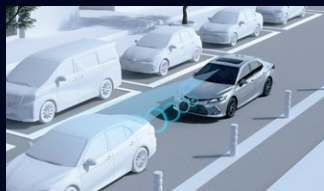

It's all about Trust & Technology by Toyota.

SAFE-T Trust for smoother journeys ahead

PRE-COLLISION SYSTEM (PCS)*

Avoids or mitigates frontal collisions by alerting the driver and automatically applying the brakes when there is a risk of collision. Now applies to pedestrians and bicyclists.

DYNAMIC RADAR CRUISE CONTROL (DRCC) FOR ALL SPEEDS*

At any speed, it maintains a safe distance with the preceding vehicle and brakes automatically when the car ahead slows down. It also allows low-speed following from 0km/h onwards, speeds up when the turn signal is on to facilitate overtaking (turn-signal-linked control), and slows down when going around curves (curve-speed reduction).

LANE DEPARTURE ALERT (LDA)*

The Lane Departure Alert (LDA) warns you when an unintentional lane change is detected, while the Steering Assist gently corrects your steering wheel.

LANE TRACING ASSIST (LTA) FOR ALL SPEEDS*

Keeps the vehicle centered either by detecting the lane or the preceding vehicle.

*Driver remains solely responsible at all times for safe driving.

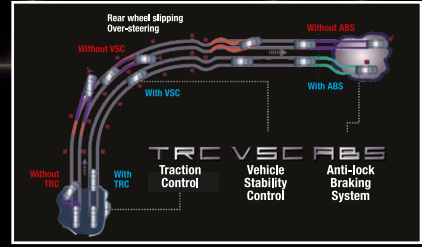

AUTOMATIC HIGH BEAM (AHB)*

Automatically switches between high beam and low beam as needed to provide maximum road visibility.

PANORAMIC VIEW MONITOR (PVM)

Get a detailed 360° view of your vehicle for manoeuvring confidently in tight spaces.

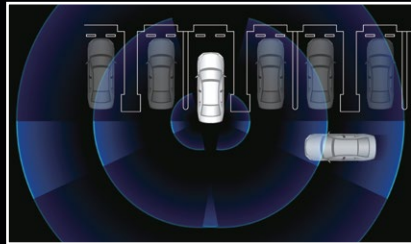

VEHICLE STABILITY CONTROL (VSC) WITH TRACTION CONTROL (TRC)

VSC prevents side skids and helps stabilise the vehicle. TRC applies the brakes or slows down the engine to regulate spinning and ensure proper contact of tyres.

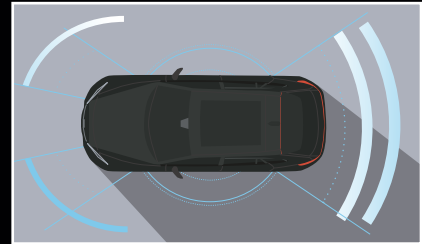

BLIND SPOT MONITOR (BSM)

Detects and alerts if there is another vehicle in the blind spot.

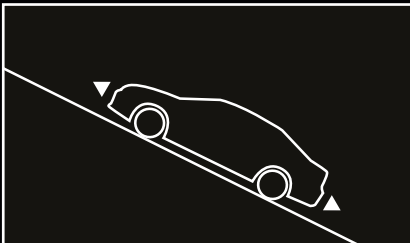

REAR CROSS TRAFFIC AUTO BRAKE (RCTAB)*

Detects other vehicles approaching from the rear of the vehicle when reversing out from a parking spot, alerts the driver and automatically brakes if a collision might happen.

INTELLIGENT CLEARANCE SONAR (ICS)*

When objects are in close proximity, sensors will alert the driver, while the car reduces engine power and brakes automatically.

HILL-START ASSIST CONTROL (HAC)

Sustains brake pressure for 3 seconds to prevent the vehicle from rolling backwards on an incline.

7 SRS AIRBAGS

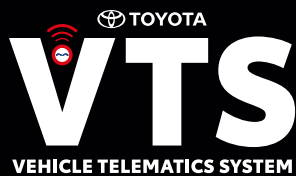

Driver, front passenger, side, curtain and driver's knee airbags provide complete protection for the driver and passengers in the event of a collision.

FRONT DIGITAL VIDEO RECORDER (DVR)

Record your journeys for your protection should evidence be necessary.

CONNECTIVI-T Technology at your command

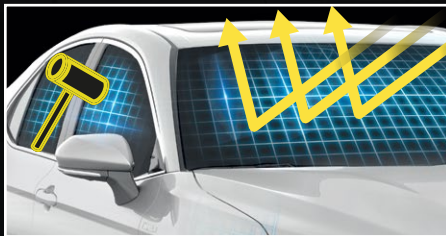

VEHICLE TELEMATICS SYSTEM (VTS)

An integrated system that monitors and shares your vehicle's real-time location through a mobile app.

GUARAN-T Total peace of mind

5 years vehicle warranty from the date of first registration with unlimited mileage. Terms and conditions apply.

SECURITY

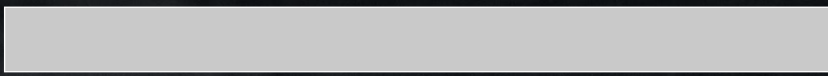

TOYOTA PREMIUM SECURITY & SOLAR FILM

Security meets comfort – prevents glass from break-ins easily, reflects harmful rays and keeps the cabin cool.

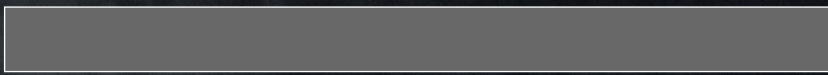

COLOUR SELECTION

Platinum White Pearl Mica (089)

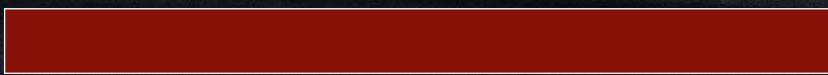

Silver Metallic (1D4)
