

FORTUNER
CRAFTED TO PERFORM

PURE DUALITY

PURE PERFORMANCE

From the city to the great outdoors — purely thrilling.

2.8 Litre Turbo Diesel Engine

The newly developed heavy-duty turbocharger results in superior performance while the increased electronic common-rail fuel injection pressure contributes to increased fuel efficiency.

Max Output

204PS / 3,000-3,400rpm

Max torque & wide flat torque range

500Nm / 1,600-2,800rpm

Electronic Common-rail Fuel Injection

2.7L Engine (Petrol)

Enjoy overall performance across the rev range with Dual VVT-i.

Max Output

166PS / 5,200rpm

Max torque & wide flat torque range

245Nm / 4,000rpm

2.4L Engine (Diesel)

Max Output

150PS / 3,400rpm

Max torque & wide flat torque range

400Nm / 1,600-2,000rpm

Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

Variable Flow Control (VFC) Power Steering

Provides more natural handling that varies the assistance level to match high and low speeds.

4WD Transfer Dial

Switch from 2WD to 4WD on the fly, up to 100km/h with a twist of the dial.

Drive Mode Switch

ECO, Normal and Sport mode — variable power at a push of a button.

6-speed AT Transmission

Smooth shifting with direct pressure control gives a sporty feel and the wide gear range provides better power and fuel economy.

Auto Limited-slip Differential (LSD)

While activated, it maximises the traction without limiting engine power when one of the rear wheels has slipped.

Active Traction Control (A-TRC)

When a wheel loses traction in 4WD mode, the system brakes that wheel and transfers power to the other wheel on the axle to maintain forward momentum.

DUALITY, PERSONIFIED

Duality is versatility. Form and function combine in one seamless driving experience.

2.8 VRZ 4X4
Super White II colour paired
with a sleek Black Roof

2.7 SRZ Bronze Mica Metallic

New Quad LED Headlamps
with LED Daytime
Running Lights
Greater sight and visibility for
both night and day.

Sequential
LED Turn Signal
Makes every turn exciting
and eye-catching.

Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

**LED Rear
Combination Lamps**
Stunningly increases
night-time visibility.

18-inch Alloy Rims
The deep spoke structure
and iconic machine-finish
gives off a rugged look.

**New Design
Front Bumper & Grille**
A blend of sophistication and
prestige with a wide bumper
and bespoke grille.

**New Design
Rear Bumper**
Unmistakable toughness
exudes from the strong
yet sporty rear.

Illuminated Door Trim

A mood to cruise — soothing lights contour the fine details of the interior.

NEW INTERIOR DESIGN

The greatest drive deserves unquestionable comfort.

7 Seat Design

Maroon accents on leather infuse premium style with sporty attitude.

8-way Power Adjustable Front Seats

Refined, stylish features elevate the interior experience for Fortuner.

Front Dual-zone Automatic Climate Control with Rear Automatic Air-conditioning

Fully automatic air conditioning system that allows for maximum temperature control.

Kick-sensor Power Back Door*

Kick it up a notch and load up the Fortuner, handsfree.

EC Mirror

Enhancing night-time vision and clarity.

USB Ports

Front, 2nd row and 3rd row — charging power all-around.

New Optitron Meter

Visibly gorgeous — colour-coordinated monochromatic meter cradles the Multi-Information Display, complete with a unique opening animation.

Cruise Control

Maintain your speed with the push of a button to unwind on a long journey.

Roof Mounted Monitor*

10.2” roof mounted monitor for audio and video entertainment.

*Optional accessory.
Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

TOYOTA SAFETY SENSE (TSS)

Pre-collision System (PCS)*

Avoids or mitigates frontal collisions by alerting the driver and automatically applying the brakes when there is a risk of collision.

*Driver remains solely responsible at all times for safe driving.
Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

Lane Departure Alert (LDA) with Yaw Assist*

Alerts when you are out of the lane unintentionally and applies additional brake force to the inner wheels to correct your Fortuner's direction. Less swaying, safer driving.

Dynamic Radar Cruise Control (DRCC)*

At speeds above 30 km/h, it maintains a safe distance with the preceding vehicle and brakes automatically when the car ahead slows down.

*Driver remains solely responsible at all times for safe driving.
Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

360-T Advanced

It's all about Trust & Technology by Toyota

SAFE-T

Trust for smoother journeys ahead

Panoramic View Monitor (PVM)

The 360° PVM allows you to be aware of hazards surrounding your Fortuner. Useful when parking, especially in narrow and tight spaces.

Front and Rear DVR*

HD cameras that automatically document your journey should an incident occur and evidence is needed.

Blind Spot Monitor (BSM) with Rear Cross Traffic Alert (RCTA)

Detects vehicles that may not be visible to you when changing lanes or reversing, and alerts you.

Security System

Comprises a full range of security features such as an immobiliser, siren with back-up battery, an intrusion sensor, double locking and speed auto door lock.

7 SRS Airbags

Driver, front passenger, side, curtain shield and driver's knee airbags provide complete protection for the driver and passengers in the event of a collision.

Hill-start Assist Control (HAC)

Prevents the Fortuner from rolling back when moving off up a steep slope, ensuring greater driving safety.

* Optional accessory.
Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.

360-T Advanced

It's all about Trust & Technology by Toyota

SAFE-T

Trust for smoother journeys ahead

Vehicle Stability Control (VSC) with Traction Control (TRC)
VSC prevents the Fortuner from spinning when sudden manoeuvres are needed, while TRC improves traction when moving off/accelerating on slippery surfaces.

Emergency Stop Signal (ESS) and Brake Assist (BA)
Sudden braking will cause the emergency signals of the Fortuner to flash, to warn vehicles behind it, while BA ensures that maximum braking force is applied when an emergency is detected.

CONNECTIVI-T

Technology at your command

Vehicle Telematics System (VTS)
An integrated system that monitors and shares your Fortuner's real-time location through a mobile app.

Wireless Charger*
Conveniently charge your Qi standard-compliant devices without the use of a cable.

9" Display Audio with Apple CarPlay & Android Auto™
Wireless Connectivity**
Access navigation and music options easily using your phone.

GUARAN-T

Total peace of mind

5 years warranty from the date of first registration with unlimited mileage. Terms and Conditions apply.

*Wireless charging for Qi standard-compliant devices. **Android Auto™ will be available when the service is officially launched in Malaysia. Image(s) shown may vary for different variants. Specifications may vary depending on Fortuner variant.
